

# NETWEB PROFESSIONAL SERVICES

ENHANCE CLOUD ADOPTION AND TRANSFORMATION

Are you overwhelmed at the thought of migrating to cloud? Not every vendor has the expertise to deliver the right multi-cloud service experience you need today. With Netweb as your trusted advisor, we help you design, develop and deploy the right cloud strategy for your digital transformation.

## OUR SOLUTIONS TAKE CARE OF YOU THROUGHOUT YOUR CLOUD LIFECYCLE

### PLANNING & DESIGN

- Strategic Development
- Implementation Plan
- Collaborative Solutions

### MIGRATION & CLOUD TRANSITION

- Data Migration
- Cloud Transition
- Cloud Readiness

### CLOUD MANAGEMENT & OPERATION

- Monitoring
- Optimization
- SLA & Governance

## OUR PROFESSIONAL SERVICES

Adoption of the cloud takes your workloads to a completely new environment that needs regular upgrades, space utilization, computing resources and centralized management. Our cloud consulting services sets a roadmap for cloud migration, integration, and administration with the help of technical experts.

### STRATEGIC CONSULTATION

We show you which aspects you need to consider when developing your cloud strategy. Together, we develop a suitable cloud roadmap which lay out the next steps

### MIGRATION/IMPLEMENTATION

You have a roadmap and are cloud-ready but face the challenge of technical implementation. Our experts can develop the perfect implementation plan for your requirements

### OPTIMIZATION ADVICE

If you are already operating a workload in the cloud but want to optimize various parameters - performance, security, automation, costs, our experts can draw up a seamless path from present to future architecture

### TECHNICAL SUPPORT

Our support services take the lead to manage issue resolution in your cloud solution environment so you can focus on your customers and business

## WE SUPPORT YOU IN DEVELOPING AND IMPLEMENTING THE RIGHT STRATEGY

Netweb not only offers professional cloud consulting but also successfully guides you on your journey into and with the cloud. With over two decades of expertise and over 100+ domain experts, we understand your challenges and workloads better than any partner.

## WHY NETWEB CLOUD SOLUTIONS?
